Be informed about how you can work with your surgical team to safely manage your child’s pain

Your surgical team will work with you and your child to:

• **Screen** for current opioid use and risk for overuse
• **Use alternatives** to opioids whenever possible
• **Educate you** about:
  - Using the lowest dose of opioids for the shortest amount of time
  - **Safely storing and getting rid of any unused opioids**
  - Knowing and recognizing the signs of opioid overdose
