

When registering a companion you must create a new profile- UNLESS you have already created a companion profile last year – in this case you do not have to create another profile you will just login using the username and password you created last year. If you are not sure if you have an existing companion record please contact [Andrea Ward](#) for assistance.

Event Registration - APSA 2019 Annual Meeting

Start Date: Sunday, May 19, 2019

End Date: Wednesday, May 22, 2019

Coordinators: Contact [Andrea Ward](#) if you have any questions regarding registration.

Notes: If you are not an APSA member or have not attended a meeting previously, please [create a profile](#).

Companion registration is now a separate transaction and is no longer part of the APSA attendee registration. [Click here for companion instructions](#)

After you have entered in all of the information for the companion you will be prompted to select a Customer Type, please select Companion Registrant:
